

SpecialBird::handleInput

```
graph LR; A[SpecialBird::handleInput] --> B[Bird::handleInput]; B --> C[Bird::launch];
```

A flowchart illustrating a sequence of three operations. The first operation, 'SpecialBird::handleInput', is contained within a gray rectangular box. A blue arrow points from this box to the second operation, 'Bird::handleInput', which is in a white rectangular box. Another blue arrow points from the second box to the third operation, 'Bird::launch', also in a white rectangular box. The boxes are arranged horizontally and connected by arrows pointing from left to right.
